

Hello and Welcome,

I am pleased to have the opportunity to work with you. Here is some basic information about the healing work in which I am trained and what you may expect during a session.

I am a Brennan Healing Science Practitioner, Registered Nurse and Licensed Massage Therapist. I will be using energy healing methods including the laying on of hands done with both my hands on the body and through the Human Energy Field, which surrounds the body. I do not medically diagnose or prescribe treatment, however, I will refer you to a medical professional if you have a medical condition or injury. My work is intended to be in harmony with any other healing work with your physician, psychotherapist or others on your health care team.

It is my experience that the Brennan Healing Science work clears and charges the energy field, removes energetic blocks that lead to dis-ease and enhances the body's natural healing capability. Many of my clients experience increased well-being and improvement in their condition; however, I cannot promise you these things.

Self-care is an extremely important part of your healing process. At all times your healing is your responsibility. If at any time during the session you are uncomfortable, it is your responsibility to inform me immediately. I also recommend that you refrain from using alcohol 24 hours before and after your healing session.

My approach to healing and personal transformation is holistic, focusing on you as a unique, complex, dynamic being of body, mind and spirit. I offer to serve as a facilitator in your self-initiated process of healing and transformation. I am here as your committed listener, your mirror, your partner in the process. In the course of our work together, we will explore areas that influence your state of well-being. We may address your health history, life stressors, belief systems and attitudes, your family and childhood history, diet, exercise, aspirations and longings and how you are in relationships. Your sharing is always kept confidential. I do, however, discuss clients (without mentioning their names) with my supervisor for the purpose of my professional development and to allow my clients to receive the most assistance available.

We may prefer to set up a regular schedule to work, but there is never any obligation to continue treatment. My fee is currently \$100.00 per healing session. The first session is 90 minutes at \$120.00 to allow time to review your history and clarify your needs for healing work. If you cancel an appointment, I would appreciate as much notice as possible. I ask for full payment for the session if you cancel within 24 hours from the scheduled appointment.

In signing the acknowledgment, you agree that I may work with you in the above-described manner. I am happy to answer any questions regarding my services and I also encourage you to express any concerns you may have. Please bring this letter and your completed client information form to your first appointment. Thank you for your willingness to be in partnership for healing.

Your Partner in Health,

Sue
